Earn Points

1. Individual shops, restaurants, and mobile stands or trucks within the 50 United States may participate in the Dannon YoRewards points-for-free-cases program. While individual franchisee shops may participate in the Dannon YoRewards points-for-free-cases program, parent franchising companies are prohibited from collecting or redeeming points. Big box food courts are also prohibited from collecting or redeeming points. School and University cafeterias may participate in the points-for-free-cases program.
2. To earn points, members must log in to the site and upload proof of purchase in the form of invoices or statements/usage reports. Order confirmations are not acceptable proof of purchase.
3. Acceptable proof of purchase includes: (1) PDF files of scanned invoices; (2) photographs of invoices taken via smartphone camera; or (3) monthly usage reports or statements directly from your distributor. In the case of scans, photographs or statements, they must be clear images on which the date shows, the purchased items are clear and legible, and the distributor name or logo appears.
4. Submissions are reviewed by the administrator for accuracy. Discrepancies in the date, case count, or attached proof-of-purchase can lead to claim rejection. Expect up to one week for the review process.
5. Eligible members who upload proof of purchase can receive points on cases of Dannon YoCream products purchased up to 90 days prior to the date of submission. Members receive one point per purchased case after submitting their request through the site. Samples, gifted cases, or redeemed Reward cases are not eligible for points. Competitor's products, toppings, and miscellaneous business items on your invoice are not eligible for points.
6. Points may not be transferred or gifted to other parties or locations.
7. The Dannon Company reserves the right to modify or eliminate the Dannon YoRewards point structure at any time and without notice.
