

Frozen Carbonated Beverage and Slush

Grow your fountain volume and beverage business with...

JARRITOS™ FROZEN BEVERAGE

Jarritos™ branded bottled sodas are the number one Hispanic soda brand in the U.S. and a cultural icon in Mexico. YoCream is proud to introduce this well-known Hispanic brand to the U.S. frozen beverage market. Jarritos™ is popular with males and females ages 4 through 40 and mainstream cross over of the brand is beginning regionally in the U.S.

Jarritos™ Frozen Beverage by YoCream offers the same product profile as the popular sodas... Authentic fruit flavor with appealing bright color. Jarritos™ Frozen Beverage is available in bag-in-box packaging ready to quick connect to frozen beverage dispensers or mix with water for frozen slush or granita machines. Convenient and flexible product formats and packaging to fit your operational needs:

- Frozen Carbonated Beverage (FCB)
- Frozen Un-Carbonated Beverage (FUB)

Broaden your base of customers and add incremental sales with Jarritos™ Frozen Beverage
