

January 19, 2009

To our valued customers,

YoCream Peanut Butter Frozen Yogurt and YoCream Reese's[™] Peanut Butter Frozen Yogurt are **not** affected by the contaminated peanut butter products as verified by letters of assurance received from our suppliers.

This letter is provided in response to the recent recall of *Salmonella* contaminated peanut butter products manufactured by Peanut Corporation of America (PCA).

YoCream peanut butter products are not affected and are safe for consumption.

Sincerely,

Ted Whitehead
Food Safety & Quality Assurance Manager
